SUBJECT: LABOR MARKET INFORMATION PLANNING PACKETS FOR 2009

2009 Planning Information Packets Now Available

The Employment Development Department's (EDD) Labor Market Information Division (LMID) annually produces and distributes Planning Information Packets as an aid for planning and delivering services under the Workforce Investment Act. Typical recipients are Local Workforce Investment Boards, the EDD's Workforce Services Division, EDD Division Chiefs and Field Office Managers, LMID Area Consultants, and CalWORKs Program Specialists. The packets contain relevant social-economic data, including data relating to public assistance, poverty guidelines, and demographic profiles. This year's Planning Information Packets contain data on Public Assistance Recipients (Tables 1 and 2); Planning Information for Local Workforce Investment Areas (Table 3); and Lower Living Standard Income Levels (Table 4).

The packets are accessible on-line at the following Web address:
www.labormarketinfo.edd.ca.gov/?pageid=135

For assistance with LMID's Web site, please call (916) 262-2162. If you have any questions regarding tables or data in the packet, please contact Robyn Jensen, project analyst, at (916) 262-2358. For more information or questions about your county, contact your labor market information area consultant for assistance. Their contact information is available on-line at www.calmis.ca.gov/file/resource/lmiconsultants.pdf.
